Welcome to the 13th Annual Conference of The Nordic Society for Phenomenology

Directions
Södertörn University is located 20 kilometers south of central Stockholm. The fastest way to reach it is by commuter train (pendeltåg). The ride takes approximately 20 minutes. Commuter train stations are marked by “J” in the public transport system and trains leave from, among other stations, the Central Station in Stockholm city and “Stockholm South”, located in the southern part of the city. To get to the university take a train that is headed for “Södertälje C” and get off at Flemingsberg. The walk from the station to the university is less than five minutes.

Dinner
The conference dinner will be held at restaurant Hasselbacken, on the island Djurgården, close to the city centre (address: Hazeliusbacken 20). In order to get there one can take tram number 7, headed towards “Djurgården, Waldemarsudde”, which leaves from Sergels torg, close to the Central Station. Djurgården can also be reached by ferry. In that case, take the subway to “Slussen” and follow the signs to the ferry quay.
